

ACADEMY DETURK

Performing Arts Workshops – Summer 2011

Your child has been enrolled in session III of our summer program. Due to the increase in interest in our program and to avoid wasting time on the first few days of class we are asking you and your child to help us by preparing some things ahead of time.

- Please assist your child in choosing a song for their solo performance for each session that they are attending. Songs from Broadway musicals, Disney movies or the enclosed list are preferred. CALL US ASAP at 456-4297 to let us know the song or songs you have chosen. Doing this will insure that your child's individual CD will be ready on the first 2 days of class.
- Have your child come prepared to move! Comfortable clothes and tennis shoes are appropriate. If you have them you may want to bring ballet or jazz shoes in addition to your tennis shoes as we are continuing dance/movement as part of our curriculum this summer.
- Bring a three-ring binder with paper and a pencil holder containing highlighters, pens and pencils.
- CDs with music from the group and solo performances will be provided.
- You will need a lunch and a snack.
- There is a caterer on site that may provide food options if you choose to take advantage.

** Parents please be aware that commitment to daily attendance is very important. With the exception of illness absences are discouraged. The ensemble nature of our material depends on each individual. Absences may limit your child's role.

We look forward to seeing you soon!
