

# ACADEMY DETURK

## Performing Arts Workshops – Summer 2014

Your child has been enrolled in session \_\_\_\_\_ of our summer program. We ask you to help us by preparing some things ahead of time.

- Please assist your child in choosing a song for their solo performance for each session that they are attending. Songs from Broadway musicals, Disney movies or the enclosed list are preferred but are by no means the only songs acceptable. CALL US ASAP at 456-4297 to let us know the song or songs you have chosen. Doing this will insure that your child's individual CD will be ready in the first few days of class.
- Have your child come prepared to move! Comfortable clothes and tennis shoes are appropriate. If you have them you may want to bring ballet or jazz shoes in addition to your tennis shoes as we are continuing dance/movement as part of our curriculum this summer.
- Bring a three-ring binder with paper and a pencil holder containing highlighters, pens and pencils.
- CDs with music from the group and solo performances will be provided.
- You will need a lunch and a snack.

\*\* Parents please be aware that commitment to daily attendance is very important. With the exception of illness absences are discouraged. The ensemble nature of our material depends on each individual. Absences may limit your child's role.

We look forward to seeing you soon!
